ANTU/1 - Photograph Identifications

Action Required: None; for your information.

ANTU/1 was unable to identify photographs of Juan Francisco RUIZ Valquez, Consuelo Angelica VALLEJO de Mendez and Gerardo Antonio PABLOLOS BENA.

2. Source recognized a photograph of Silvano LORA Siente and believes that this individual arrived in ~~1964~~ with a group of some fifteen Dominicans. The Source saw this group while in training school, and the best recollection was that LORA was still in ~~1964~~ when ANTU/1 left (April 1964) because documentation for onward travel had not been prepared.

3. ANTU/1 also recognized a photograph of Jose CASILLAS Leano, but does not recall seeing pertinent data concerning him. Source does believe that he knows this individual as a Cuban rather than a Dominican, although the latter is not excluded. Source commented that if he is a Dominican, he would have been in ~~1964~~ after August 1963, because it was at that time that Source began working for the ~~State~~ Intelligence Service.
